# Prospectus 2026-2027

Cover art : The school of Athens, a fresco depicting a congregation of ancient mathematicians and scientists. It was commissioned by Pope Julius II and painted by the Renaissance artist Raphael between 1509 and 1511.

# Ren-ai-ssance Education

Education that uplifts the human spirit : using science, technology, engineering, arts and mathematics - to solve local problems, create global innovation, and serve as a noble form of entertainment in a world increasingly run by artificial intelligence.

**Welcome to the world's first AI-  
Human hybrid learning academy.**

Problem-based learning. Personalized courses. Learning communities. Exam Gyms. Meetups. Science at scale.

**Happy goat: Learn  
well-defined  
solutions.**

**Brave lion: Explore  
open-ended problems.**

**Flying dragon:  
Research unsolved  
problems.**

## Faculty

🌙 **Nila**

Nice Intelligent Learning Agent  
- Nila is our AI bot

🏠 **Renowned professors**

The giants on whose shoulders  
we stand - *Invites in Progress*

🎓 **Ph.D. M.D. Eng.D.**

Doctors with groundbreaking  
papers - *Onboarding*

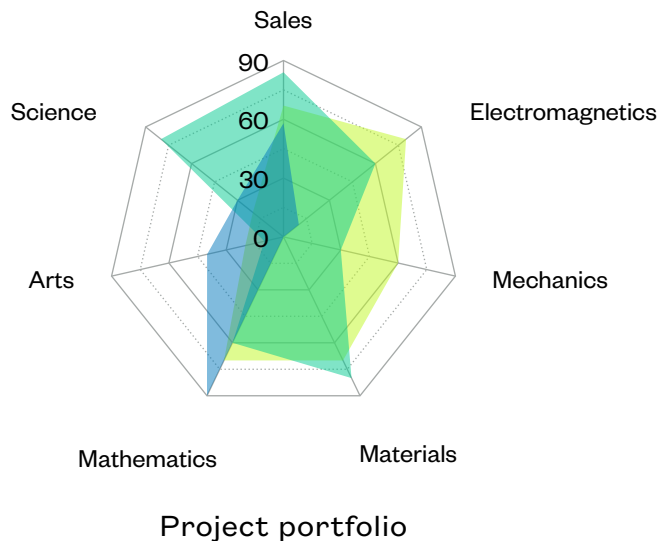

👤 **Problem owners**

Humans and businesses looking  
for solutions - *Register now!*

# Earn and Learn

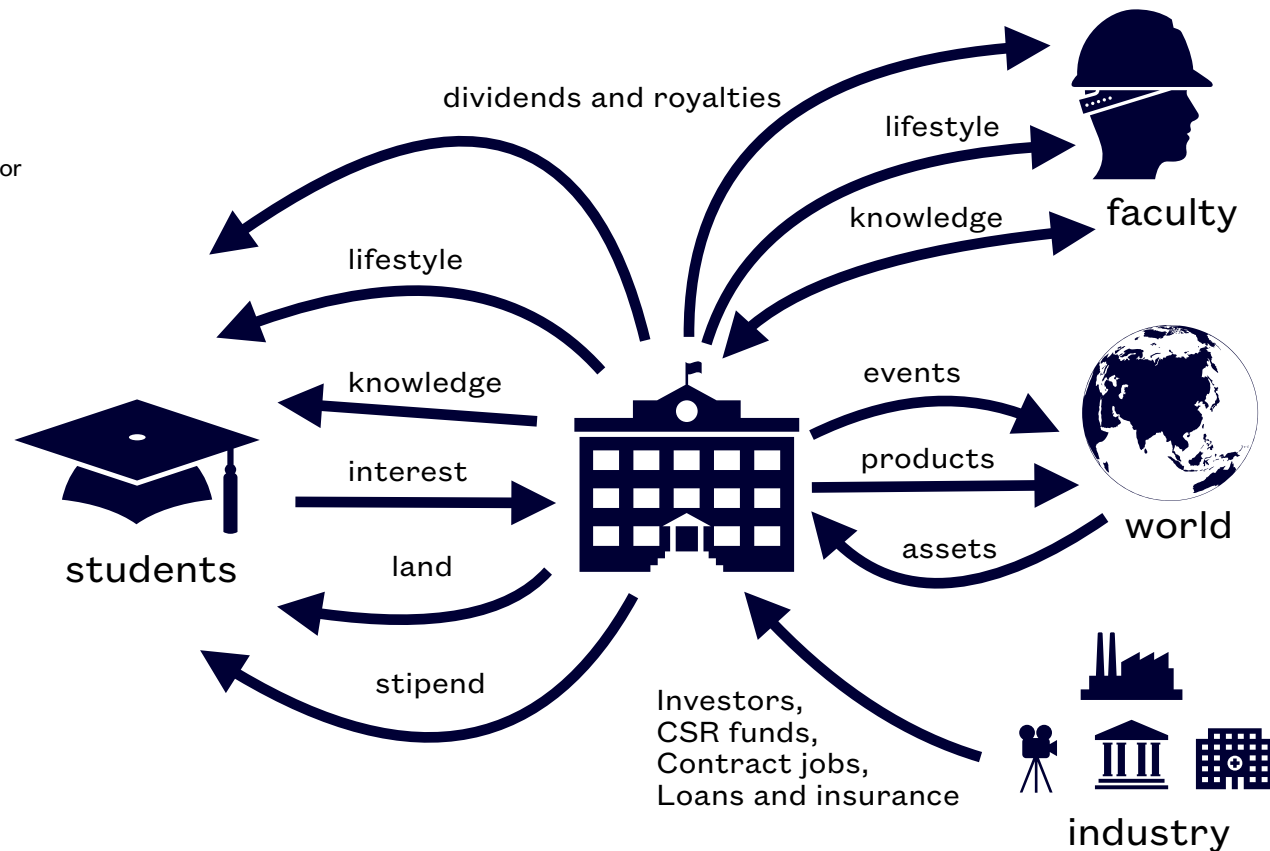

Engineer solutions to multidisciplinary industry problems. Your project portfolio defines your degree, and your sales are a part of your grades.

■ AI-curated newsfeed ■ Hydroponic farmbot ■ Quadrotor

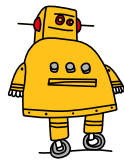

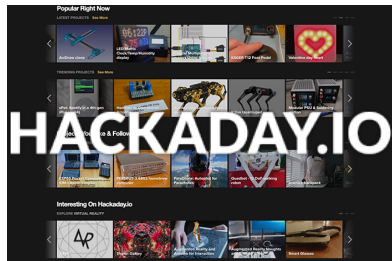

# Co-ownership

Own the land and amenities in your campus, obtain dividends from startups, royalties on patents, and profits from events.

# STEAM festivals

Watchparty with sciencefluencers, have fun building and exploring!

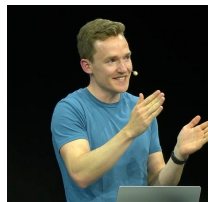

**AUTODESK**  
Instructables

**OPEN HARDWARE** REPOSITORY

For further information, send your letter of motivation to [contact@chimera.university](mailto:contact@chimera.university). Applications to join as a student, faculty or industry partner are welcome on a rolling basis. Industry partners can be from large companies to independent artists.

## Our founder

Dr. Lawrence

PhD (Netherlands) in 2018

AIR-45 in IITJEE 2009

Celestine Preetham Lawrence was born in 1992 to tamil catholic parents in Chennai. Blessed with a natural affinity for solving analytical puzzles, he achieved a top-50 rank out of over 4 lakh candidates in the Indian Institute of Technology Joint Entrance Exam. He credits this success to learning from authoritative books instead of spending time at a coaching center. He started his international career in Canada and pursued science and entrepreneurship in the Netherlands for nearly a decade. He has published in prestigious journals such as Nature nanotechnology, IEEE transactions on electron devices, Journal of Raman spectroscopy, and Complex systems. He admires the European culture of innovation and has founded *chimera.university* to provide *earn and learn* fellowships to students in India.
